Greetings Brethren! It is amazing how swiftly the sands run through the hourglass! We are now to April and the inside chores have moved to the outside with a welcomed hello to warm temperatures. We have moved into the final month of the inspection season and the work so far has been very well conferred. Just because inspections are almost done for the year does not mean that the traveling should stop. Get out and visit other Lodges and other districts and tell them how proud you are of Canton Lodge. When they ask what makes you proud, tell them to come visit us and see why.

April is another active month for us and the working tools of the craft are not idle. Our Stated Meeting on the 6th is Past Master Night, and following last year's example, there will be a degree conferral. This year the conferral will be by the officers and Past Masters can enjoy the work. I hope to see the Worshipful Brethren there that night as we recognize their service to Canton Lodge, and I will be asking them to share a memorable story from their time in the East.

Saturday, April 16th proves to be an event filled day. We will be escorting the Widow's to the Players Guild Theater for the show "The Hobbit". This will be a nice change from their recognition event from previous years, and hopefully they enjoy the show.

The guest speaker at the April 20th Stated Meeting will be Wor. Bro. Dan Nesbitt from Buckeye Council No. 436, Boy Scouts of America. His presentation should prove to be both interesting and informative.

April 23rd, the Canton Temple will

Greetings Brethren! It looks like the weather has changed for better and we will get the opportunity to enjoy the outdoors and grill as you like. Ohio is such as beautiful place that its true beauty can only be appreciated by going outside and engaging in different fun activities. I hope you enjoy this spring with your friends and family!

I was so excited to complete our Lodge Inspection last month. There were brethren from all over the district and many veterans present. For those who are not aware, I became a Mason because of a US Navy Officer, who was a Mason, and gave me an Apple Computer when I was very young. Hence, the veterans hold a special place in my heart. Right Worshipful Landals did a great job answering any questions we had and helped us critique our degree work. I also wish to thank my Officers, especially Worshipful Brothers Secretary and Treasurer for getting the lodges paperwork out in a timely manner.

We had our Bowling Night on March 11th which was a huge success. Our wives, girlfriends or fiancés play an important part in the success of our Fraternity and there is nothing better than seeing smiles on their faces. I had no idea our Past Masters were bowling superstars. I was tempted to order bumpers for my bowling lane so that I could get a better score in front of them.

There will be an Officers meeting on April 1st the first Friday. Lodge Officers will meet in the Ante room and discuss the candidate status, finances and upcoming lodge programs.

On April 8th we will be hosting a "More Light Event." We will have the pleasure of listening to Right Worshipful Wes Webber lecture on

Thurs., April 21, 7:30 p.m. - Stated Meeting

Hello Brothers all! Learn from everything, especially mistakes. Use experiences to learn and grow. Then share your lessons with others. We have so many clichés for when things don't go as planned. Sayings we cart out to console someone who has made a mistake or who's had some wrong done to them. But to would-be consolers, well-intentioned or otherwise, I say, "We got this." Theirs are just words. We are all a product of our attitudes. And the better the attitude the better the end result, usually! Sometimes you put in all the work and things still don't turn out the way you want. Oh, well. We move on.

I am so very proud of the work the officers and members of Trinity have put into this year. I have no doubt that we will look back on it very positively.

Brother John Wayne said, "Tomorrow is the most important thing in life. Comes into us at midnight very clean. It's perfect when it arrives and puts itself in our hands. It hopes we've learned something from yesterday."

Greetings Companions! It is already April and hopefully more comfortable weather. We still have some work to complete and a couple more District Schools to attend. With the weather being more mild and temperatures getting warmer, some additional Companions will hopefully attend our meetings. Let us keep the pride of Canton Chapter alive and well. Also I would like to thank the Companions whom have traveled throughout this Masonic Year with me. It is nice to visit Companions that cannot travel, or the weather prevents them from attending.

We still have to set a night for presentation of award for our Chapter, as well as District functions. That will be announced at a later date.

Greetings Companions! I hope April finds you in good health and all is good with you. How lucky were we to have the milled winter we had! I just love spring, the fresh air a being able to get out side to watch the flowers bloom. I always look forward to the up coming elections of new officers in the York Rite bodies also. They bring new ideas and youth to our fraternity. The longer days of light makes it easy to enjoy the beautiful land in which we live. Oh Yah, don't forget to take your umbrella.

Sat., April 2, 2:00 p.m. - Massillon Commandery Inspection, Massillon
Tues., April 19, 8:30 p.m. - Stated Meeting

Hello Sir Knights! It is hard to believe that another year is almost over. It seems like we have all these plans to do all these grand things and before we even get a chance to start, you are out of time. If I may give a piece of advice to anyone planning to be Commander in the future, start planning now and start asking people for help now. You'd think I would have learned that lesson my first time around. It really does get away from you.

Our Commandery is one of the largest in Ohio. We should set the bar for the others by helping and attending inspections whenever possible. We all know how impressive it is when you see all the chairs full of knights. Imagine how a new Sir Knight feels when he sees that. To that end, I would ask that everyone who can attend Massillon Commandery's Inspection on April 2nd, does. Let's show the Sir Knights of Massillon and the entire 8th Division what we are about.

Canine for Cami Conclusion

Do you remember the article in the October 2015 Bulletin headlined: "Canine for Cami?" Cambrya Calkins, a four year old, suffering from a birth defect which causes unexpected seizures; was in need of a service dog to protect her while attending kindergarten and later schooling. The \$15,000.00 price tag was out of reach for her family. A Wm. McKinley Lodge brother took up the torch to help with lodge sponsored events such as "Burgers for Cami" held at the Pump Tavern, East Sparta, near Cami's home, asking all Canton Masons to assist with this project. Well, the goal has been reached and Cami's eight week old puppy is in training and will be delivered to her for further training shortly.

Thanks for reading the Bulletin and responding to this humanitarian need.
Nice going Guys! You are standing tall! Bob, Editor
