If you haven't already tried "The Kitchen- Sink," here is a description from Taggart's. "The Kitchen Sink is: Everything you always wanted. Two scoops of vanilla, chocolate, and strawberry ice creams; hot fudge, marshmallow, strawberry, and caramel toppings; covered with pecans, whipped cream, ground nuts, and a cherry." Just as a reminder we go "dim" in July and August. We will only be having one stated meeting on the first Wednesday of each month.

Parking is \$5.00 and the gate opens at 6:00 a.m. The money goes to the Temple Association to help offset the cost of upkeep. Please let your friends and family know. If they wish to park, we will have a space for them. Please share on Facebook. Volunteers appreciated!

Greetings Brethren! It’s the month of June already; and Wednesday, June 20th is the longest day of the year RIGHT; Wrong! Wednesday, June 20th is Auctioneers Night at Cypress Lodge! What were you thinking? You weren’t thinking of going dark were you? But before all this happens, we are having a mini lodge trip on Friday June 1st to Argas Lodge No. 545 in Canfield, Ohio for an Outdoor Master Mason Degree play and pageant. Starting at 7:30 p.m., you will need a chair and probably a jacket for comfort. Contact Worshipful. Master Roger Summers (330-806-3823) for directions and car-pooling! We will be going dark in July and August but will be doing some work at Special Meetings as needed and called through the summer. “Keep tuned!”

Congratulations to our very own L.E.O. Wor. Bro. Terry Rundquist; our lodge received notice that we are receiving our Grand Master Education Award. Things like this make you feel good when you’re an officer in the line, especially if your setting in the East!

For the last Stated Meeting, Friday June 22nd we are going to have our “Hawaiian Shirt Night” and than bowling on the same night after lodge. June 22nd is our last meeting before we go dark for the summer.

We'll start by thanking everyone who participated with and attended the Cinco de Mayo celebration at the Masonic Temple on Thursday May 17th. The dinner was well attended and all had a really great time. The food was outstanding with that real Mexican touch. It's really hard to explain the taste of real Mexican food but once you have eaten it you will never forget.

The summer looks quiet for Trinity Lodge this year. Nothing special has been planned and all seemingly to just want to vacation and relax. So be it! And that's what we've planned.

Have a great summer and enjoy the great outdoors and your families, children and grandkids!

Our labors start again in September on Thursday the 6th at 7:30 p.m. See you then!

Greetings Sir Knights! Where has the year gone? It seems like a few weeks ago when the current line was installed in our Commandery and now we’re getting ready for another line of officers to move up. It definitely goes fast. For those moving up, I’d encourage everyone to enjoy it, continue to do the best you can and have a wonderful year!

This year hasn’t been without its challenges and there are so many Sir Knights I’d love to individually thank for all their hard work; however space is limited, so I’ll point out a select few. First and foremost: I’d like to thank Sir Knight Bill Stratton for his constant support and assistance, especially when things seemed exceptionally challenging. Next: I’d like to thank Sir Knight Richard Snider who among many things, always explained things not always as I wanted to hear them, but rather how I needed to hear them. Then there is our exceptional Recorder, Sir Knight Bob Smith; who always has been available to send out information when needed. Finally, there’s our Generalissimo, Sir Knight Ty Youngman. Ty has been instrumental in a little of everything, and I’m sure Canton Commandery will do exceptional work under his leadership as

Editors Note: Note the mention of 12 other lodges in Ohio who also had their Centennial in 1969. It would be interesting to learn how many are still meeting. As stated, it took 75 brethren to portray the "Building of the Temple." It was a massive effort with double Fellow Craft Teams and extra workman, stretcher bearers, officers, water boys and all. 40 Brethren took 2 years to plan, build the props and outline the 4 day celebration and as I was informed two years later, by George R. Reineck, my Father-in-law that all went as clock work and also that my name appeared on the McKinley family "tree" displayed. My Grand Mother on my Mother's side was a McKinley! Also note that Wor. Bro. Howard Ripple left nothing to chance in his planning. He smiled very little leading!

tickets for the October 4th Centennial dinner, can pick up their books at the entrance to the dining room, if you will notify your Lodge officer at the time you buy your tickets.

Other Lodge members will receive their copies at a later date by mail, or personal delivery.

Master Masons other than Wm. McKinley Lodge members, who attend the October 4th dinner, will each receive one copy with the compliments of the Lodge.

Advance orders for extra copies of the Souvenir Book, accompanied by remittance in full, can be placed immediately with Secretary Fred E. Schneider at \$2.50 per copy, for delivery after October 5th, subject to prior sale of the supply.

Procrastination

By: Robert R. Martelet, MSA, Wm McKinley Lodge

From Wikipedia, the free encyclopedia: Procrastination is the avoidance of doing a task which needs accomplished. It is the practice of doing more pleasurable things in place of less pleasurable ones.

Procrastination, the friend of the passive and the enemy of the progressive! I have realistically intended writing an article on this subject for some time, but kept pushing it aside. Even the National Procrastination Association has never had a formal meeting because they avoid it. “O-Kay”, that’s a pun, but it is probably true. I sometimes think procrastination and Freemasonry were cut from the same bolt because of our never ending, relentless, waiting before doing things that will need done anyway; or for waiting for thing to change. Probably one of the motives is our firm belief in the immortality of our sole. So, we put off the inevitable as long as possible hoping it will never come; when all along, we are not the one in charge. Planning for the end is something no one wants to face. It’s morbid! It’s not enjoyable in any form, but just plain stupid not to recognize. It’s going to happen, weather or not we want it. You “ain’t” rich enough to buy your way out. So, starting today, at this moment in time, take command of those things we are able to control. Make that call, send that e-mail or write that letter to that lost friend who has been an itch in your brain for some time; remembering, he may be procrastinating also. Write those checks for the household bills even though you hate doing it. Those due dates are not going away. Have that squeak in the break system of the family auto checked out and fill the gas tank. Here again, you must do it anyway so why put it off; why drive on fumes and wonderment taking the chance of being stranded, just to procrastinate. Geese, think of all the tasks put on hold until tomorrow. Tomorrow is sure gonna’ be busy; remembering, tomorrow is **always** a day away. Procrastination doesn’t increase your life span, even if in your mind tomorrow may never come; it just makes it more confusing, increases the urgency leading to the feeling of guilt, inadequacy, depression and self-doubt. In the end, man has enough on his mind without the burden of things that should have been accomplisher yesterday. And now, to those who sport that super ego! “Let them wait!” “Time waits for no man.” You will be in the draft of those moving faster. The bold, the impatient, the movers and shakers will swallow you whole. This is fact not fiction. Time is precious! Procrastination is an enemy; it is robbing you, and some really give it a whole new meaning!

Brother Herm Gillette Has Centennial

Jim Lewers, Herm Gellette, Gary Dressler
Earl Blazer, Paul Feaser

Earl Blazer, Jim Lewers, Paul Feaser, and Gary Dressler from Canton Lodge 60 visited Bro. Herm Gillette on the day of his 100th birthday, March 23, 2018. Bro. Gillette was raised on June 15, 1949 in Canton Lodge 60. It was amazing the memory of a rather spry Herm had. If we recall correctly, he said he coached 5 Brethren who went on to be Worshipful Masters of the lodge. After we had birthday cupcakes, he took us into his bedroom (he lives with his daughter and son-in-law) and showed us a display of Masonic and WW II items. He was a tail gunner in a B-17 during the Second World War. Later he worked as a security guard and fireman for the Timken Company until retirement. He recalled a story about one evening, while on duty at the Timken Company, an inebriated man causing trouble outside the plant and Herm asked him to stop and move on. The man pulled a gun and shot at Bro. Gillette putting a hole in his hat grazing the side of his head. Bro. Gillette fired back and hit the man in the cheek. Canton PD got there and arrested the man in good time. In this season of Centennials and celebration of years of Masonic brotherhood, the four of us had a great afternoon with this fine old gentleman and have hopes for many more birthdays with him.

Giant Hammer Hangs In Pattern Shop

The five foot, five inch, hammer that hangs above the door in Pattern Shop was made by Bob Martelet, who graduated in 1955. Bob made this hammer as a challenge received from Mr. Cleaver. A regular hammer was used as a model for this giant. The hammer, which is hollow except for the head, is made of white pine. Bob completed all the work himself including the painting, during the last two weeks of school last year.

This year we're having a Pig Roast at Craftsmen Park at 4450 Rex Lake Rd, Akron, OH 44319. Wor. Bro. Bob Wiley purchased a pig and is raising it for the lodge. It has been appropriately named Bella. We are set to eat at 5:00 p.m. with pontoon rides prior. Wor. Bros. Mike Emery and Paul Feaser have been generous enough to lend their pontoon boats for the day. Please bring your friends and family for an enjoyable evening of sun, fun, and great food.

We are planning a More Light Night! Bro. James Duck will be giving a presentation about The Warriors Project, a Non-Profit for helping those fighting addiction. Please keep your eyes peeled for more information!

Masonic Trivia: In China, about 300 B.C., Mencius wrote "A master Mason, in teaching his apprentices, makes use of the compasses and the square. Ye who are engaged in the pursuit of Wisdom, must also make use of the compasses and the square." Additionally, in a book called Great Learning, 500 B.C., we find that "A man should abstain from doing unto others what he would not they should do unto him; and this is called the principle of acting on the square."

P.S. Does anybody actually read my articles!?

TRESTLE BOARD

Fri., June 22, 10:00 a.m. – Special Olympics Tour Scheduled. Meet at Temple Parking Lot

Sun., Aug. 18, 3:00 p.m. until 8:00 p.m. – 21st Masonic District Family Picnic, Tadmor Shrine Pavilion

Sat., Sept. 8, 10:00 a.m. – Monthly Meeting, Canton Lodge, Canton Temple

The Master’s & Wardens Workshops have caused the cancellation of several Master, Warden and Deacons Meetings recently. This has put a strain on planning for both the Special Olympics Trip and also the 21st Masonic District Family Picnic. As we have not heard to the contrary, we will assume the committees have succeeded in their jobs as planned and all is in readiness. Stay tuned for e-mail updates and if you had plans to attend either of these events, chances are they are happening. Have a great summer break and we will hope for the best for everyone.
