As I sit and think of my last article for the Bulletin, all I want to do is thank everyone

who helped me this past year. I never thought I would make it to the East when I was a Junior Stewart. The Officers always rose to the occasion when they were needed, the practice they put in for the Inspection, all the events they came to; I can't say enough. It was a good year for building and laying a good foundation for the next year.

It was an honor to have served this lodge. Thank you for this opportunity. Fraternally

Updates on the upcoming Sesquicentennial celebrations being planned for 2019 are: the committee planning the 150<sup>th</sup> year book announced the book will not be ready until 2020. They want to include the 2019 years events in this book thus they will delay the printing; although the struck McKinley Lodge Commemorative Sesquicentennial Coin in bronze should be available in 2019. The other events planned are on track as I understand. The Reconsecration of

## Yesteryear Trivia

In the late 1700s many houses consisted of a large room with only one chair. Commonly, a long wide board was folded down from the wall and used for dining. The “head of the household” always sat in the chair while everyone else ate sitting on the floor. Once in a while an invited guest would be offered to sit in this chair during a meal (who was almost always a man). To sit in the chair meant you were important and in charge. Sitting in the chair, one was called the “chair man.” Today in business we use the expression/title “Chairman or Chairman of the Board”.

My Companions! Wow Grand Chapter has come and gone and M.E.C., Ross Black was elected as our new Grand High Priest at Kalahari Resort. In his honor his reception will be held at Tadmore Shrine on Sunday, November 11th at 6:00 p.m. It's not too late to send your reservations in and enjoy a fantastic dinner with our new Grand High Priest. I still have reservation forms if you need one.

By the time you read this our Inspection should be over. I wish to thank all the Companions for such a fine job they did at it. You made Canton Chapter and myself very proud of all of you.

One of the things the 17th District does is a Nontraditional Turkey Dinner with a pie auction afterwards. Come out, bring your Lady and have a good time. Usually something happens to make everyone laugh.

Please come to our Stated Meetings, we have many things to talk about and inspection season is about to start and we need to make Canton's presence known at all of them!

Respectfully submitted,
Richard Snider, High Priest

the Lodge, Building of King Solomon’s Temple and Outdoor Master Mason Degree are in planning stages now. Remember Brethren some of these require a larger than normal Fellow Craft Team so, if you have been setting around twit ling your thumbs, it may be time to get moving. Half-a-dozen fellows can’t do all this alone and we will probably have quite a few guests.

Publishing this Bulletin become a real challenge because of the constraints of timing so it reaches you early enough in the month to be of use. When your lodges send articles in vary late or not at all, it created a situation. Do we try to reach your officers for information or move on! If you get left behind, we are sorry but time waits for no man!

Greetings Sir Knights! November is looking to be a very busy month for us and I am looking forward to every event invite as a chance to show everyone, what we as Knights Templars are partially about; so your support in the above activities is highly encouraged. We have some practices that have been completed and the response and participation makes me smile. We are in the process, along with Chapter and Council, looking into the roles of the lodges to see if any Sir Knights need help or even if they have passed to the celestial lodge; so if you are contacted that will be the reason. Grand Commandery was a truly amazing experience and I am so glad I attended. I must tell you I am excited about this year with every meeting and every practice.

In 1779 the High Knights Templar of Ireland Lodge, Kilwinning, obtained a charter from Lodge Mother Kilwinning in Scotland. This lodge now began to grant dispensations to other lodges to confer the Knights Templar Degree. Sometime around 1790 the Early Grand Encampment of Ireland was formed, which began to warrant Templar Lodges, and evolved into the Supreme Grand Encampment in 1836. The Early Grand Encampment chartered several Scottish “encampments;” one of which, having been chartered in 1805 as the “Edinburgh Encampment No. 31,” then became the” Grand Assembly of Knights Templar in Edinburgh,” who then sought a charter from the Duke of Kent, Grand Master of the Order in England. It seems that the Templar Degree

had filtered into the lodges of the Antients from Ireland about 1780, and was recorded at York about the same time. In the five degree system developed by the York Masons, the Knights Templar Degree sat between the Master Mason and the Sublime Degree of Royal Arch.

## Canton Masonic Association

Brethren! I hope that everyone has had an enjoyable summer and are excited to get back to labor in your Lodge. As we resume our labors, take notice of the new features and changes to our Temple. We have worked hard at making improvements that are bringing in rentals to help with the financial burden of maintaining our home. I hope that by now you have seen the pictures from the Hall of Fame Enshrinee, Brian Dawkins' private party that was held in the ballroom. The beautiful transformation that took place for the event was breathtaking and with the success of the evening, we are assured to have more in the future. These are the fruits of our labors from the ongoing renovations which are adding to the sustainability of our Temple by providing additional income.

We still need your help Brethren. There is still much to do and opportunities for you to assist are abundant. We continue to have the Saturday work parties where things are getting done amongst fellowship with those that are there. We gladly welcome anyone to come and assist and donate their valuable time. For those of you who would rather donate money, we still have several avenues for your consideration. First, we have the Perfect Ashlar Guild which donating to also gives you recognition on the Temple monitor at the rear entrance. There are also the "Save the Temple" pins still available and the personalized bricks, which are displayed on the north side of the building. There will be other fundraisers in the future such as another gun raffle. The inaugural gun raffle was a great success and through your generosity, we were able to raise money for the Temple and the Children's Dyslexia Center.

Please consider helping in any fashion, whether in labor or financial donations. For any additional information, contact Gary Dressler (330) 418-5574 or Paul Feaser (330) 417-2309
