It's hard to believe were already coming up on that time of year when many lodges go dark. However, Canton 60 does not do this, during this period we only hold one stated meeting in July and August on the first Wednesday each month. But, I am hopeful we will have conferrals of degree work and events over the summer.

The first event is the Annual "Kitchen Sink Degree" at Taggart's, will be immediately after our Stated Meeting on June 5<sup>th</sup>. During this time, brethren will have the opportunity of earning the coveted Kitchen Sink Degree Pin. Later in the month, we plan to hold a table lodge on June 22<sup>nd</sup> at 7:00 p.m. in commemoration of Saint John the Baptist Day. Cost will be \$20.00 per brother and will include dinner, a commemorative mug and plenty of fellowship! If interested, please RSVP to our secretary, Brother Gary Dressler at 330-418-5574 or by email at [garyd@sssnet.com](mailto:garyd@sssnet.com). Finally, please keep those who are away from their families in the armed forces in your prayers.

Unfortunately, due to my health, I will be unable to attend the Supreme Council Convention. This will only be my 5<sup>th</sup> or 6<sup>th</sup> time missed it in the 40+ years in the Grotto. Nazir will be represented by P.M. Dave Cullison and P.M. David A. McIntyre. I'm sure they will represent us well.

I hope everyone has a safe and enjoyable summer and by the way, Nazir

Grotto will **not** go dark during the summer months. Smile, God Loves you!

Greetings Companions! Enjoy the summer break and be sure to take time for family and friends. The Stated Meeting on Tuesday, June 18<sup>th</sup> will be the installation of the new Chapter Officers.

The Degree of Royal Arch Mason is founded upon the destruction of the first and the building of the second Temple. The ceremonies of this Degree have an interesting and graphic historical setting, and a profound and reverential moral significance. The Royal Arch Degree is the complement of the Master Mason Degree, the unfolding into a second volume of the history of that which was lost to its final recovery. Without the Royal Arch Degree, the Master Mason Degree is like a song half sung, a tale partly told, or a promise unfulfilled.

Hello Companions! Thank you to everyone for your help this past year. Although I have been Illustrious Master before and should have had a better grasp on what needed to be accomplished, I fell short of what I feel could have been accomplished. We did pass inspection and did have a successful Super Excellent Master Degree with our companions from Carrolton. With better organization and a little less bravado they could have been even better.

With that said, I would urge the newly elected officers to do a better job than I did as far as planning and communication goes.

In Blue Lodge, we have classes to help us plan our year in the West. I would encourage new officers to look back at these classes and take the time to do a little planning. Get together with your officers, communicate better to the companions that cannot attend meetings and do not assume that everything will just fall into place.

Again, thank you to all who helped and even just attended and supported our Council this year. Your continued support will go far in helping Canton Council remain one of the strongest in the Arch.

Greetings Sir Knights! Well, summer is upon us and we will be taking a break from our labors. Please attend any events if you are able. For the past year, it has been my honor to be your Commander. It has been hard, and yet, rewarding and satisfying experience. See you all in August!

**Knight Templar fun fact:**  
As would befit such a large and powerful order, the Templar’s had their own special seal. This was two knights on a horse and held very dear to each member. The meaning of the seal was to remind each Knight of the poverty of the early members. Indeed, rumor abounds that the first Grand Master had to share a horse with another Knight, so poor were they, hence the picture on the seal itself.

This will be followed by a Stated Meeting at 7:30 p.m. at which time we will watch a video of the York Rite celebration and parade 12 years ago. Come observe many of our fellow brothers when they were much younger. Saturday, September 21<sup>st</sup> will be our Master Mason Conferral at an outdoor lodge. Please join us as this is always a great time for all. If you have never been to an outdoor lodge conferral, this is an experience you do not want to miss. Saturday, October 26<sup>th</sup> will be our Lodge 150 year Anniversary Celebration where we will reenact the building of the Temple. Plan for all these events!

Have a great summer brethren!

**Steve Morosko, Worshipful Master**

The Brethren will also want to take note that while driving since the city fathers painted bicycle paths on most streets, to take care and watch out for these riders. I am of the opinion that they should also staple prepaid license plates to their back sides, sticking up in the air, to help offset the cost of painting the bicycle lanes. Also, watch out for those noisy two wheeled demon machines that seem to come from nowhere and are very hard to spot if not tuned into looking for them. Even their noise is usually not enough to make their presence known. Also, the lodge is planning on building the Temple as part of their Sesquicentennial Celebration later in the year; this project takes nearly a double Fellow Craft Team so start recruiting brethren to help with this project. The more hands on board, the easier the task! Please get involved you will enjoy the fellowship! Have a great and safe summer rest and remember Masonry does not stop even if lodge is dark! Brethren still need assistance from time to time.

## “The Character of a Freemason”

From the Farmer’s Almanac, 1823

Andover, Massachusetts

The real Freemason is distinguished from the rest of Mankind by the uniform unrestrained rectitude of his conduct. Other men are honest in fear of punishment which the law might inflict; they are religious in expectation of being rewarded, or in dread of the devil, in the next world. A Freemason would be just if there were no laws, human or divine except those written in his heart by the finger of his Creator. In every climate, under every system of religion, he is the same. He kneels before the Universal Throne of God in gratitude for the blessings he has received and humble solicitation for his future protection. He venerates the good men of all religions. He disturbs not the religion of others. He restrains his passions, because they cannot be indulged without injuring his neighbor or himself. He gives no offense, because he does not choose to be offended. He contracts no debts which he is certain he cannot discharge, because he is honest upon principle.”

The Obligation and the Oath: The obligation is a promise made by the candidate to the members of his Lodge and to the Fraternity. The oath is the “So help me God!” that follows the obligation.

## On thr Light Side

The Chairman of the Lodge Committee who, by tradition, happens to be the Senior Warden in my lodge, was hospitalised and unable to attend the committee meeting. In the morning he was pleased to receive a get-well message from the secretary, which read: ‘The committee took a decision to express their sincere good wishes for a speedy and complete recovery.

Six in favour, three against, one abstension.

In 1860 in Limerick, Ireland, there was found in a small chapel a stone dated 1517 with the following inscription: ”I will serve to live with love & care, Upon the level, by the square.”
