Greetings Brethren! It seems strange this is the last article I will write for this term as the Master of Canton Lodge No. 60. In all honesty, the year goes by far too quickly in some ways and much too slowly in others.

I would like to thank everyone who helped make the Master Mason Conferral for Brother Christopher Newman a memorable night for him. It truly was an exercise in brotherhood, and it warms the heart when brethren come together for a common goal.

Grand lodge was a wonderful experience as it always is. I look forward to seeing what great things come for the upcoming year. Finally, I would encourage all who can come to our Annual Stated Meeting to do so. It’s always a great experience when there are many Brethren along the sidelines. Let’s welcome next year’s officers as they are elected that evening.

As always, please keep those distressed and in need in your prayers as well as those serving this country and can’t be with their families during the upcoming holidays.

Fraternally,

**Bob Wiley, Worshipful Master**

As my year as Master comes to a close, I would like to thank everyone who helped me along the way! I want to congratulate the new officers. Please contact Worshipful-elect Dave Perry for details about his installation. I know I am leaving the Lodge in good hands and I know he will do a great job next year. I really enjoyed being the Master of McKinley Lodge this past year and I thank you for that opportunity. I also enjoyed doing the degree work and helping other lodges. I hope I can continue to help the Lodge for years to come.

The first Stated Meeting on November 8<sup>th</sup> is our Annual Meeting and election of officers. The second Stated Meeting on November 22<sup>nd</sup> will be Awards Night with a dinner at 6:00 p.m. before lodge.

Please send in your dues if you have not already done so. The Lodge does its best to spend its money wisely, but with rising costs, every bit helps.

Thanksgiving is coming up so please enjoy the time with your family. That time is something that cannot be replaced. May God bless you and your family and God bless America.

Happy Thanksgiving!

My Brothers it has a privilege to sit in the East at Trinity Lodge. Let's be honest, when you have a strong line of officers your Masonic year goes smoothly. The Masonic Hearts in line at Trinity Lodge beat true. They've taught me much. I can understand how some Brethren serve a second term in the East. Our first spaghetti dinner was marginally successful. Then things began to improve. All subsequent fundraisers where extremely successful! I have learned some things this year and I'll take this opportunity to thank my Brethren at Trinity Lodge; Buck, John, Digger, Sam/Tim, Richard, Steve, Brad, Larry and Buddy...Thank You! I will continue to assist when asked.

Greetings Companions! Fall is definitely upon us and the holidays are fast approaching. Aside from the Holidays themselves, it also can only mean one other thing; inspection season is also around the corner. As of the time I'm writing this, I'm awaiting some detail on our inspection. Once we have that information, we can begin scheduling practices and such so we can truly do the work we're known for. Some of us are also finishing up on other obligations, so this hopefully means some more companions will be available to attend a few practices.

As always, please remember to keep in your prayers those unable to attend their meetings especially those who are away from home serving this great country.

## Editor Comments on Comments!

Last months editorial about the “True American Way of Life” brought several comments from readers regarding my evaluation of the website “Grand View.” It’s my own narrow opinion and will probably not be true but many do agree with my assumption. Anyway, a word appeared in that article that seemed to cause some concern with the older readers. It’s a relatively new term recently appearing in many circles of banking. “Blockchain Economy” which refers to “Cryptocsm” and “Crypto-money.” Now when the work money appears, all eyes are on the alert and to give it a new name, all want to know more about it even if Crypto-mopney has no tangent value. By chance, while reading the Repository Sunday Comics September 29<sup>th</sup> 2019, I spotted the work used in the strip “Dilbert” which I believe captures the essence of the theory and understanding this newest form of economy called “Blockchain” is going to be by the Lehman. Hoping I will not step on any “Copyright” infringements or offend the author of the strip, Scot Adams, I would like to reprint the exchange between “Dilbert” and another company employee as they talk and I quote:

Employee: I don’t understand why you are recommending Blockchain for this application.

Dilbert: My staff are the experts, but I can explain the basic idea. You see, using Blockchain is like losing a necklace on the beach. Than a Seagull finds the necklace and takes it back to its nest. And we all like data security don’t we?

Employee: It’s almost as if we are proposing a plan you don’t understand at any level.

Dilbert: Well yes, but keep in mind that you wouldn’t understand it even if I could explain it.

Employee: But you’re sure someone on your staff understands it. Right?

Dilbert: Define sure!

Ant there you have it my Brethren: “Blockchain!”

to feed most of the 21<sup>st</sup> Masonic District, the candidate had a really good experience, the lecture and charge beside the roaring bon fire were a real challenge, the tyke lighting surrounding the lodge area was unique and everything, even the Fellow Craft Team did a great job with the exception of one noticeable factor; there were very few visitors. Where were you? The menu had kabobs, hot dogs, hamburgers, potato salad, mac. Salad, chicken, tossed salad, brownies, cake, cherry and apple pie, cookies and the only thing missing was ice cream. The iced tubs had every kind of soft drink your heart desired with no one to drink them. Yes...where were you? Greemport Tactical is really a great venue to support this type of Masonic function because of its unique surroundings and easy security. There is good parking, a great picnic area, porta-potties and Bill Bird opens his place with out stretched arms welcoming you and the weather was great. So; where were you? You missed a great outing!
