The winter has been unforgiving across the country however here in Canton, Ohio we have had a pretty normal February which has allowed us to get some of our ritual work completed for the year. We were able to confer two Master Mason Degrees. The Brethren have also practiced getting ready for our Wednesday, March 17 date of our Inspection.

Thank you to each of the Brethren who gave a call to Brothers who are staying in their homes due to the pandemic. Finally, the children are returning to school and the area is opening up. We will be able to meet in lodge for the two Stated Meetings this month and it will be really good to see everyone. It is our goal to have our mandatory ritual work completed by the end of April so we can enjoy our 200<sup>th</sup> year celebrations scheduled for May and July.

Thank you to Wor. Bro. Terry Selby who is preparing his team for next year’s Fellow Craft Degree. The first two Fellow Craft Degrees this year will have everyone moving up to their stations for next year; so they will be prepared for there degree work for their inspection next year.

Please call the brethren you have not seen for a while so they have someone to talk to about lodge. I will be calling for a special Virtual Lodge Meeting in March so we will again see our out of town and shut in brethren; so please get your computers ready or visit someone so you nay join us virtually.

Please stay safe and get to lodge if possible

Greetings, Brethren! I want to start by thanking the Officers and the Fellow Craft Team for their hard work in February. We had a number of practices to prepare for our February 12<sup>th</sup> Inspection and the dedication paid off! We followed that up by initiating a new brother the following week and then we ended the month by passing two brothers to the degree of Fellow Craft. It certainly felt good to be back together in lodge, even though we missed having a full house. We need to continue to be vigilant in the fight against the pandemic!

As we move into March, our lodge plans on meeting in-person as long as Stark County does not go purple. We have seen some encouraging trends in the Covid-19 numbers, but again, we have a long way to go and do not want to let our guard down. With that in mind, feel free to join us in lodge on the 2<sup>nd</sup> and 4<sup>th</sup> Fridays for our Stated Meetings as you feel comfortable. We will continue to enforce social distancing and mask wearing as appropriate.

Our first Stated Meeting in March will be a "Facebook: Friends Night. Feel free to bring a friend who might be interested in learning more about our great fraternity. In the meantime, reach out to brothers who have not been around for a while and see what we can do for them. Speaking of what we can do for others as we head into the Easter Season, I would like to organize a

Greetings brethren! I hope March finds you and your families healthy and well. I will thank everyone for there support on our gun safe raffle; it was highly successful and the proceeds will go towards starting a scholarship fund for a worthy candidate going to a trade school. I would also like to thank all the brethren who helped with the “Spaghetti Dinner” held at the “Amvets Club” raising money for an employee who lost a loved one in a auto accident.

Hopefully, as spring approaches the COVID-19 numbers drop and we can get back on track with our usual fundraising.

I will also thank the officers for all the hard work in preparing for our Inspection. I’m sure our Inspection will be smooth and flawless. Also, good luck to all of our neighboring lodges on their Inspections.

Last month’s Bulletin explained how we built a wheelchair ramp for a man that had both legs amputated. Well brethren, due to the hard work and generosity of Trinity Lodge, Dan was able to come home last month. He was incredibly happy and extremely grateful for our help.

In closing, “one thing that you can always give but still keep is your word”

Thank you, Brethren, and don’t forget to turn your clocks ahead on the 14th.

Greetings Companions! I'm pleased to say things are beginning to look better regarding COVID-19 and hopefully we will return fully into some form of normalcy soon. With that, we are beginning to return to in person meetings across many of the chapters and I'd like for that to happen as well for us. I had planned for that to happen in February, but with the impending "snowmageddon," I thought it might be better to stay home for that time. Hopefully March will be much better with some rain, but otherwise decent temperatures.

I'm calling a practice on Monday, March 1<sup>st</sup> to cover the "full-form" opening with all officers. As I said before, we won't have an inspection this year, but what I'm looking for is for each of us to get proficient again with our ritual. As before, if you have a conflict or a concern that prevents your attendance, I only ask you let me know.

Finally Companions, please keep our military, first responders, medical personnel and their families in your thoughts and prayers. Many of these people have dedicated many weeks and months away from their families in the current crisis, and as a once deployed soldier, I can say that can prove difficult for all involved.

As you can see from our Trestle Board our Stated Meeting on Tuesday, March 16th will be an in person meeting at the Canton Masonic Temple.

Masonic events have suffered greatly during the covid-19 outbreak, but most especially our Masonic Charities. In Capitular Masonry we have the “Diabetic kids Camps.” If anyone would like to donate to this fine charity please send your donation to Canton Council No. 35 soon. All donations will be sent to Grand Council in support of this project.

### The Financial Advisor

If you're a business owner, you might have been disappointed if you missed out on a loan offered through the Paycheck Protection Program, part of the CARES Act passed a few weeks ago. But now, you may have another chance. Congress just provided an additional \$310 billion for the loan program. And if you receive a loan, it may be forgiven if you can keep your employees on the payroll and meet other conditions. But with demand so high, you'll need to apply quickly and have your supporting materials ready. Among the documents you'll need are: 2019 tax returns, payroll reports, mortgage or rent documents, utility statements and documented proof the Coronavirus Pandemic has hurt your business. You'll also want to make sure your business credit file is current and accurate.

Don't wait to apply for a loan. To

## Greetings from the Ohio Masonic Home!

We are excited for the opportunities to make a difference through connecting individuals and families to resources. Your Liaisons from the Resource Center are well-versed in community support across the state and are here to help you access programs in your areas. In addition we also offer financial assistance, connection to benefits, and make referrals to home health care and other professional services. Our Liaisons also offer assistance to caregivers. In life, one of the biggest decisions we faced is when loved ones need more help. Many of our clients want to stay at home longer, while others seek senior living communities. That decision is often weighted by how much care is needed and what is appropriate for that individual. If you are caring for some one at home, an important point to remember is what impact care giving has on you, and get support and help finding available resources and services. We are here to help.

One of our Liaisons is currently working with a family whose mom is in an assisted living and they want to bring her home to care for her. To do this, they need to make improvements to make their home accessible. We have connected them to resources to get these things prior to her mom coming home. Our Liaison also referred them to “The Akron Canton Direction Home” to have a long term care assessment done. This will help to see how long her money will last so they can plan as to how they can best help her at home.

Our Liaisons advise clients about “Palliative Care” vrs “Hospice” or having a doctor or nurse practitioner come to the home, when it’s difficult to get loved ones to doctor appointments and other care needs. There are services available to help with: light housekeeping, driving, grocery shopping, medical care and financial responsibilities. Please don’t hesitate to give us a call for additional support, resources, and assistance, whether you are already a caregiver or need assistance for you or someone else.

In 2020, The Resource Center reached out to 232 new widows and widowers, sending bereavement packets and providing support. In 2020, we were able to coordinate referrals and assist clients with clinical, financial and social needs through 1,500 cases. If you are in need or if you would like to volunteer to help individuals or families, please call us? You can also reach your Ohio Masonic Home Resource Center Liaison by calling toll-free at 877-881-1623, and pressing “4” for the Resource Center. Thank you again. And as always, please let us know if we can help in any way.
