Brethren! Allow me to introduce myself. My name is Terry Selby and I have been honored to be elected to serve Canton Lodge as Worshipful Master for 2022. I’m a 30 year member of the Craft and I have served my other lodge, Augusta No. 504 as Worshipful Master three times. I’m looking forward to serving Canton Lodge and we’ve got some fun events scheduled for this year.

As you know, we’ve been celebrating our 200th Anniversary in 2021 and I want to thank Wor. Bro. Mike Emery, for his leadership and inspiration over the last year. I’d also like to thank the officers and members who were involved in setting up and carrying out those events. I’m looking forward to working with the fine corps of officers in place for 2022.

As we start our 3rd century of Masonry in Canton, I want to invite you all to help us in doing what we can this year to make it possible to celebrate a 300th anniversary. Those of us today will not be around to see that happen but the actions we take now, can lay the foundation for others to build on in the coming years. I will be working with the leadership of the other lodges in the Temple to pool our efforts into raising the awareness of the Lodges in the community.

By the time you see this we will have held our Installation. The main event coming up is our Inspection in the Fellow Craft Degree on February 19th. There will be a dinner at 6:00 p.m. and Lodge will open at 7:00 p.m. We have a number of Candidates

Greetings Companions! The inspection degree for this year is the Super Excellent Master Degree, please keep this in mind and please enjoy the following: The Cryptic Rite: This is one of the smallest but one of the most important and certainly one of the most curious of all the rites. It might well be called the rite of Aeneas, because of its long wanderings. One of its oddities is that the two degrees of Royal Master and Select Master have associated with them a ceremony known as Super Excellent Master, which is not considered a degree, yet it is more dramatic than most Masonic Degrees. Another peculiarity is that there has long been a difference of opinion as to which of the two degrees should be conferred on the candidate first. They should both precede the Royal Arch, yet, in early days were often limited to Royal Arch Masons. The Super Excellent is the dramatization of an incident mentioned in the lecture of the Principal Sojourner in the Royal Arch Degree. Both the Royal and the Select are of the type known as French Ecosais, Ninth Arch, or Secret Vault Degrees and the name Cryptic was given them by Rob Morris as derived from the Greek crupe or the Latin crypta, meaning vault. They are known collectively as the "Cryptic Degrees" or the "Cryptic Rite" because their

Sir Knights! Practices are still happening because we have a lot of Sir Knights in new positions and it will take all of us working together to make Inspection successful. I ask the Sword Bearer, Standard Bearer and Warder to attend the Stated Meetings so we can practice advancing the flag to its station in the east.

Sir Knights, The North Central Division CTA, will be conducting a stop action Order of the Temple Degree on Saturday, December 4th at Wadsworth Masonic Temple. Breakfast: 8:00 a.m. for a fee; O.T. Degree stop action at 9:00 a.m., all line officers are encouraged to attend, but it is open to all Sir Knights.

Sir Knights I wish you all a Merry Christmas and a Happy New Year and safe journey in your travels; take a moment and reflect on the greatest gift given to man; the gift of Jesus coming to save us from our sins as a baby born in a manger. Take time and attend Christmas Eve Services with your family and remember the reason for Christmas, and why we are Commandery Knight Templar Masons! In closing: “I have often expressed my sentiments that every man, conducting himself a good citizen and being accountable GOD alone for his religious opinions, ought to be protected in worshipping the Deity according to the dictates of his own conscience” George Washington, 1789.

legend deals with the secret vault or crypt beneath King Solomon's Temple.

The assumption, often indulged, that the Royal and the Select were always associated is incorrect, for the Select, under the name Select Masons of 27, was contained in the rituals brought to this country by Stephen Morin about 1762 as a side degree of the Rite of Perfection, while Royal Master was not so included and is not mentioned in any preserved record until a much later date. Hughan stated that Cryptic Masonry was worked in England from about 1760 but died out, though it continued in Scotland under one branch of the Grand Encampment of Knights Templar. It evidently died out there also.

Attempts to fix the origin and trace the course of these degrees in the United States is rather baffling, not only because of the shifting control over them and sometimes the absence of any control, but particularly by the tendency of writers upon the subject to refer to the two degrees jointly as though they had always constituted a pair. The latter association of the degrees and the frequent reference to them as Royal and Select Masters naturally led careless writers into the anachronism of supposing their present relationship always to have existed. Writers also, instead of examining closely upon finding one degree mentioned, have used the term "degrees" or "Cryptic Rite" to cover up lack of definition.

;Merry Christmas and Happy New Year Companions!

Tri-Lodge Children's Christmas Party

On Friday, December 17th, National Ugly Christmas Sweater Day, the three Blue Lodges of the Canton Masonic Temple will host a Christmas Party for all the children, from one to ninety-seven, of the Canton Masonic Family and their guests in the Ballroom of the Canton Masonic Temple. The party will start at 6:00 p.m. with all the usual Christmas goodies to snack on along with plenty of Christmas cheer for the children. Rumor has it that Jolly Old Santa will trip from the North Pole to visit and inform who has been naughty or nice. It is expected that all fathers wear that ugly Christmas Sweater, which has been assigned to the bottom dresser drawer for several years. "Come on man" Everybody has one! See you there.

Masonic Christmas Morning Breakfast

Brethren! Join us for this annual event here at the Canton Masonic Temple. The breakfast is sponsored by: The Canton Masonic Temple Association, the York Rite Bodies of Canton and the Blue Lodges of Canton and North Canton. You are cordially invited to attend along with your male guests and relatives. Starting promptly at 6:00 a.m. and will conclude at 7:00 a.m. We will be serving pancakes and sausage along with orange juice and milk plus the coffee will be hot. Bring your breakfast appetite. Breakfast is free, but a collection will be taken to help offset the associated costs and funds collected above the costs will be directed to a charity.

Our speaker this year will be Bob Hutton. Pastor Bob has been involved in ministry most of his life. His first ministry experience came while living with his parents who were missionaries in Guatemala. He was an assistant pastor in Nebraska and Ohio, and for over 10 years was the senior pastor of a church in Ohio. In 2006 he went as a missionary to the Republic of Ireland where he was able to begin a work in Mallow, County, Cork that is thriving today. Along with being the Mission's Director at Canton Baptist Temple, he is on the board of SENT, Incorporated, an independent missions organization whose sole desire is to personally, professionally and passionately meet the needs of those missionaries sent from the church. Bob continues to be actively involved in the UK and Ireland through his organization Emerald Isle Missions. Bob is also chaplain for the City of Canton Fire Department and for Traditions Health hospice. Bob has three daughters and four grandsons. I know you will enjoy his message that morning.
